'Some people, when confronted with a problem, think

"I know, I'll use multithreading".

Not how they solve problems.'

'Some people, when confronted with a problem, think

"I know, I'll use **multithreading**".

mention

Nothhw tpe yawrve o oblems.'

use

A photograph of a maintenance shop. A white sign is taped to a glass door. The sign has the text: "MALL MAINTENANCE SHOP", "WE CAN REPAIR ANYTHING.", and "(PLEASE KNOCK HARD ON THE DOOR. THE BELL DOESN'T WORK)". In the background, there is a red fire extinguisher, a yellow coiled hose, and a red and black vacuum cleaner with "CLARKE" written on it. The ceiling has a fluorescent light fixture and a sign that says "MALL" in reverse.

**MALL
MAINTENANCE

"The argument from authority
is the weakest form of argument,

"The argument from authority
is the weakest form of argument,
according to Boethius."

-- St. Thomas Aquinas

"Is confirmation bias prevalent?"

"Is confirmation bias prevalent?"

Yes, I see it everywhere!"

Epistemological relativism

Epistemological relativism
may be true for you,
but it isn't true for everyone.

<masak> "There are two types of people in the world.

<masak> "There are two types of people in the world.
Those who finish what they start,"

<masak> "There are two types of people in the world.
Those who finish what they start,"

<tadzik> There are two types of people.

<masak> "There are two types of people in the world.
Those who finish what they start,"

<tadzik> There are two types of people.
Those who procrastinate,

<masak> "There are two types of people in the world.
Those who finish what they start,"

<tadzik> There are two types of people.
Those who procrastinate,
and the other type, which I'll describe later

<masak> "There are two types of people in the world.
Those who finish what they start,"

<tadzik> There are two types of people.
Those who procrastinate,
and the other type, which I'll describe later

<moritz_> there 10 kinds of people:

<masak> "There are two types of people in the world.
Those who finish what they start,"

<tadzik> There are two types of people.
Those who procrastinate,
and the other type, which I'll describe later

<moritz_> there 10 kinds of people:
those who know binary,

<masak> "There are two types of people in the world.
Those who finish what they start,"

<tadzik> There are two types of people.
Those who procrastinate,
and the other type, which I'll describe later

<moritz_> there 10 kinds of people:
those who know binary,
and 9 others!
